

THE ASSEMBLY OF CATHOLIC PROFESSIONALS

THE ASSEMBLY OF CATHOLIC PROFESSIONALS (ACP) is a networking group created by the Archdiocese of Brisbane under the patronage of the Archbishop. It is a forum for business women and men of the Archdiocese interested in Catholic life, and Church leaders to come together as a community to get to know each other, and to discuss issues and trends in the life of the Church.

The Archdiocese of Brisbane is a large and diverse organisation. The Assembly provides an opportunity for senior levels of lay and clergy leadership to develop more personal and meaningful relationships with a broader group of Brisbane Catholics. The ACP is an opportunity for business women and men to grow in their faith.

The ACP meets three times a year over lunch – currently this is held at the Hilton Hotel.

There is an opportunity for networking and to hear from a guest speaker.

THE ASSEMBLY OF CATHOLIC PROFESSIONALS
